Dear Ola and her family,

Happy New Year and Merry Christmas!!!

I wish you the whole sea of happiness, strong northern health, «pregnant» wallet and simply let all your dreams come true!!!

I will never forget:

We were afraid to go to you, but then realized that we were wrong...

Then we became friends with you...

We were playing sports games...

Our common fire...

Trip to the museum...

Night at school...

Now, your so cool tradition began ours, too ©
